Catering – Food & Beverage

KOPFBAU works with selected external catering partners. **Whether flying dinner, seated banquet or street-food concept** — the offer can be adapted to your event format.

Thanks to the connection to Swiss Casino Winterthur and the Lok Bar & Lounge, you benefit from additional options:

- Apéros before or after the event
- VIP areas in the public bar
- Exclusive Rooftop Bar in the casino
- Combination packages “Event + Casino Experience”

This turns an event into a complete experience your guests will remember — in the spirit of modern MICE concepts where content and experience go hand in hand.

Services & support

Our event team supports you from the first idea to dismantling:

- Consulting and concept development (schedule, set-up, dramaturgy)
- Coordination of technical equipment and catering
- Support with permits and safety
- Planning of supporting programmes (e.g. casino experience, guided tours, activities in Winterthur)

Our goal is to allow you to focus on content, **guests and impact while we take care of the space**, equipment and operations.

Technical equipment – overview

- **400 m²** column-free event space
- Stage up to **32 m²**, modular
- **21 m²** mobile LED wall (e.g. for live content, logos, presentations, show elements)
- Rigging/truss system for lighting, audio and décor
- Lighting technology: **modern LED spotlights**, programmable scenes and colour moods
- Audio technology: PA system, monitoring, mixing position
- Direct access for deliveries to the hall

Location and accessibility

KOPFBAU is located in **Lokstadt Winterthur**, a new district on the former Sulzer site. It is close to the railway station and offers urban infrastructure as well as car parks within walking distance.
